

**Topic:**

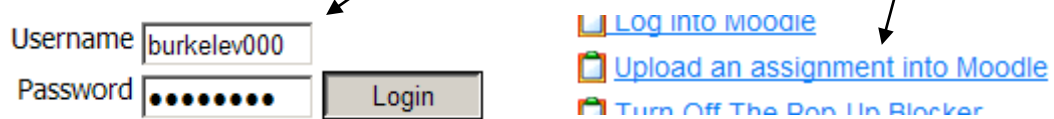

This explains how to upload a finished assignment into Moodle.

**Objective:**

By the end of this lesson, you will understand how to upload an assignment into Moodle.

**Procedure:**

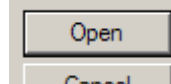

1. Once you have logged into Moodle, click on one of the assignments listed.

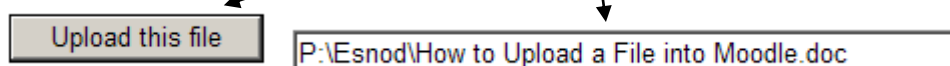

2. Click on "browse" and find the file that you need to upload.

3. Click on "open" once you have chosen the file that you wish to upload.

4. Click on "Upload this File" once the file is showing in the box.

When it has fully uploaded, it will show up above the upload box.

**Assessment:**

Try uploading your own file.
